

# Village of Cochrane

## INFORMATION REQUIRED FOR BUILDING PERMITS

To obtain a building permit from the Village of Cochrane, the following information is to accompany your application.

1. A Building Permit application must be completed, signed, and submitted by the applicant.
2. Two (2) complete sets of blueprints for construction shall be submitted to the Village of Cochrane.
3. A Building Permit shall not be issued for any building project in Cochrane, unless two (2) copies of drawings (of the lot upon which the building project is located on) are submitted and prepared with the following information:
  - A. Scale of drawing.
  - B. Address of the property where the project is located.
  - C. Dimensions of the lot and north arrow.
  - D. Dimensions of front, rear, and side yards.
  - E. Location of all existing buildings on the lot.
  - F. Location of proposed building or construction.
  - G. The setback dimensions of buildings from front, side, and rear lot lines.
  - H. The location of all recorded easements, both public and private.

## ADDITIONAL BUILDING PERMIT REQUIREMENTS

All Building Permit applications are also subject to the Village of Cochrane Building Code. If you have any further questions concerning these areas, we suggest you contact the Village Office at (608) 248-2737
