

The Buffalo County Health Department is excited to share that we will be holding another **free, walk-in vaccine clinic this Friday, May 21st from 12pm-4:30pm at the Milton Town Hall** (S2794 State Road 88, Fountain City, WI 54629).

We will be administering the Johnson & Johnson Vaccine, which is known as the "one and done" COVID-19 shot. Both Wisconsin and Minnesota residents who are 18+ are welcome to attend. There is no cost to the vaccine, but interested individuals are recommended to bring their insurance cards to help with administrative costs, and to wear a mask and t-shirt. For questions, please contact the Buffalo County Health Department's main line at 608-685-4412.

We would love for you to share this message and/or graphic widely. Thank you for your continued support of the Buffalo County Health Department and our vaccination efforts!
